

1) Screenshot at the initial stage when nothing is added yet.

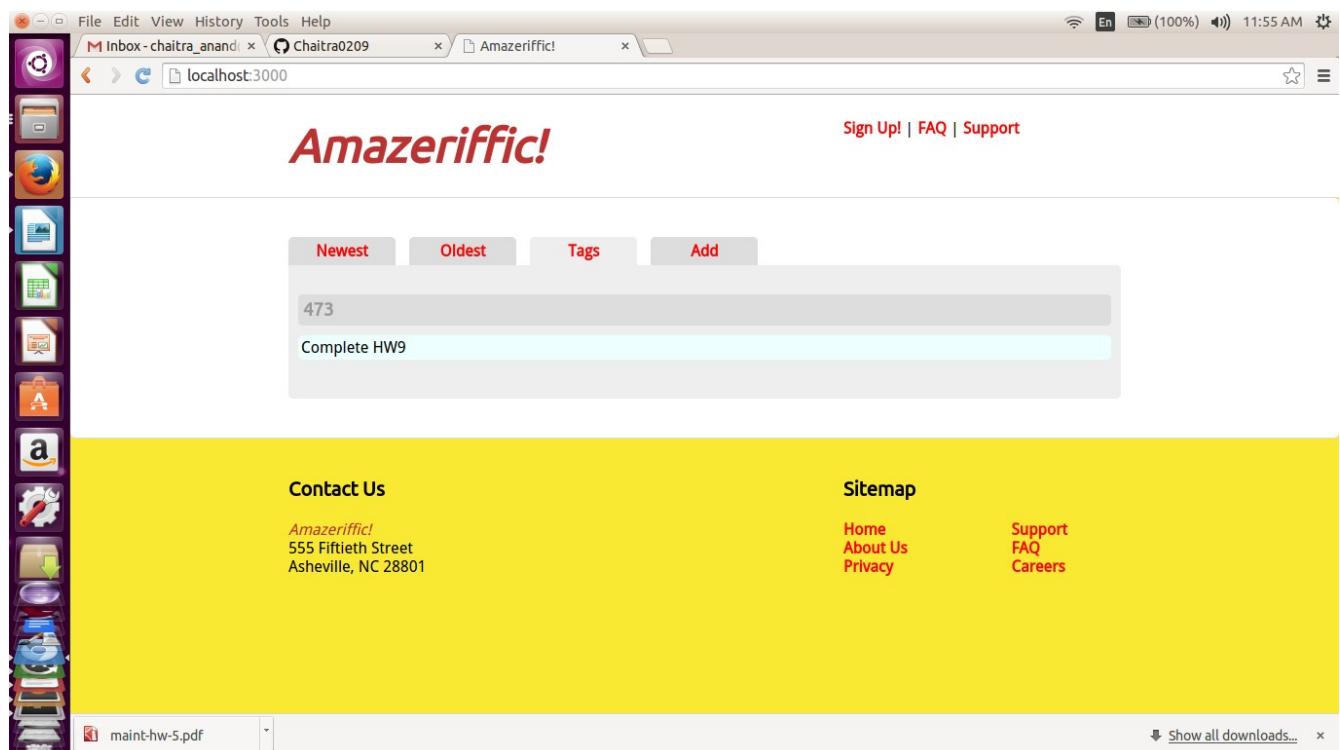

2) adding the description and tags respectively.

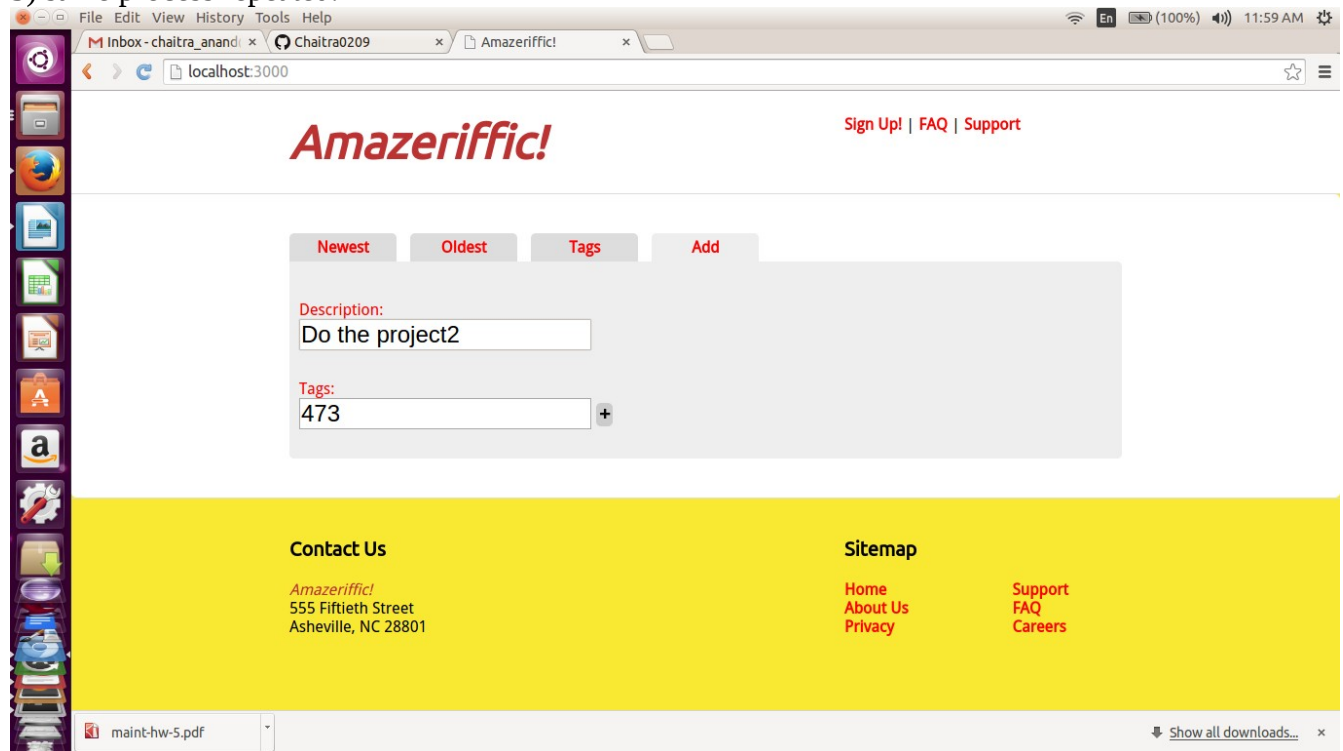

3) Immediately after the “+” button is clicked in the above screenshot , it adds the description to the client and displays “newest” tab and its contents.

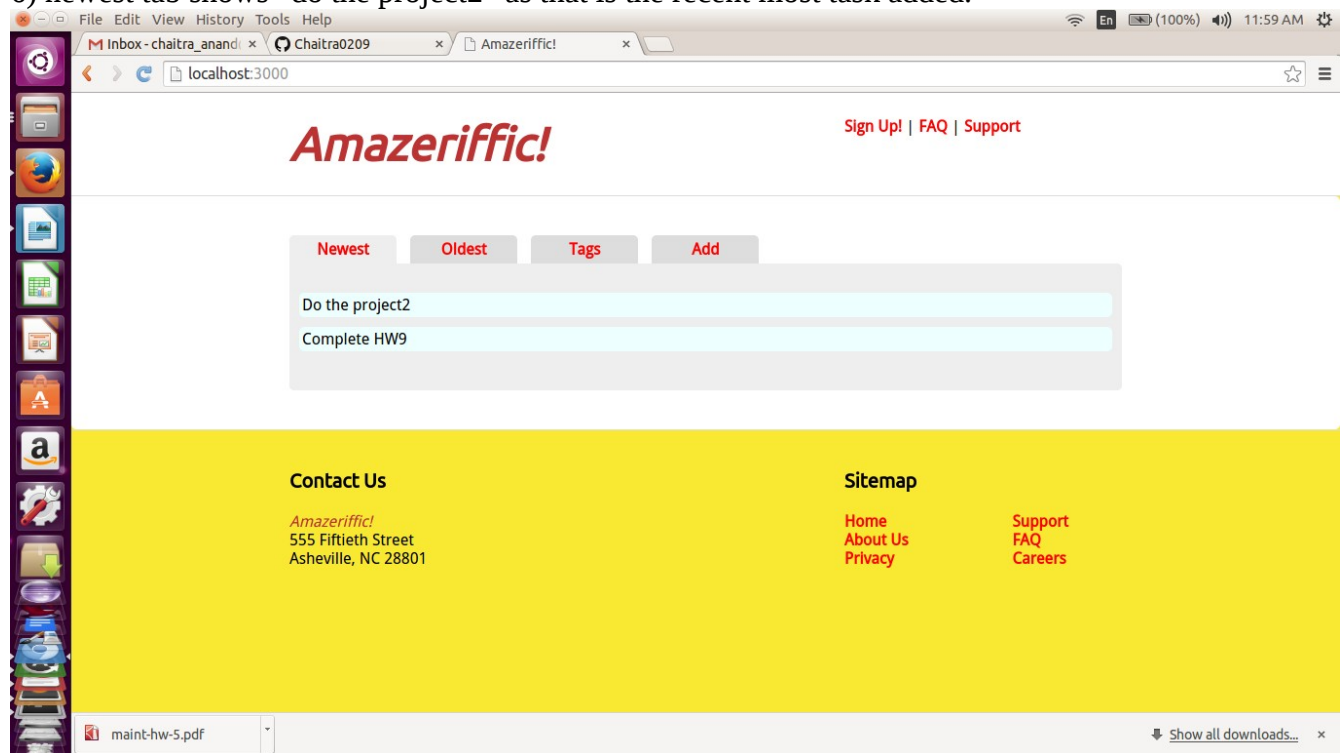

4) Since there is only 1 item now , the oldest tab will also show the same thing . The below screenshot shows the Tags tab. Here the tag 473 is shown and the description pertaining to it I.e “complete HW9” is also seen.

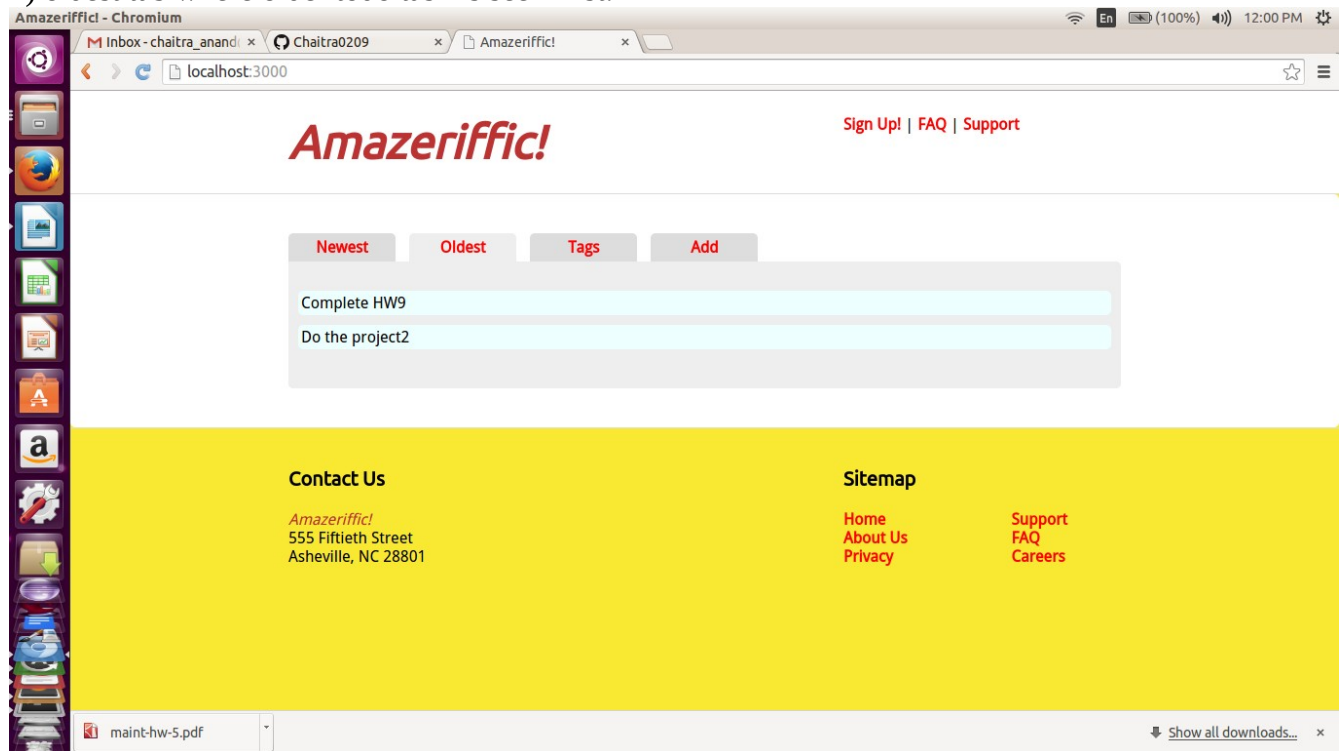

5) same process repeated.

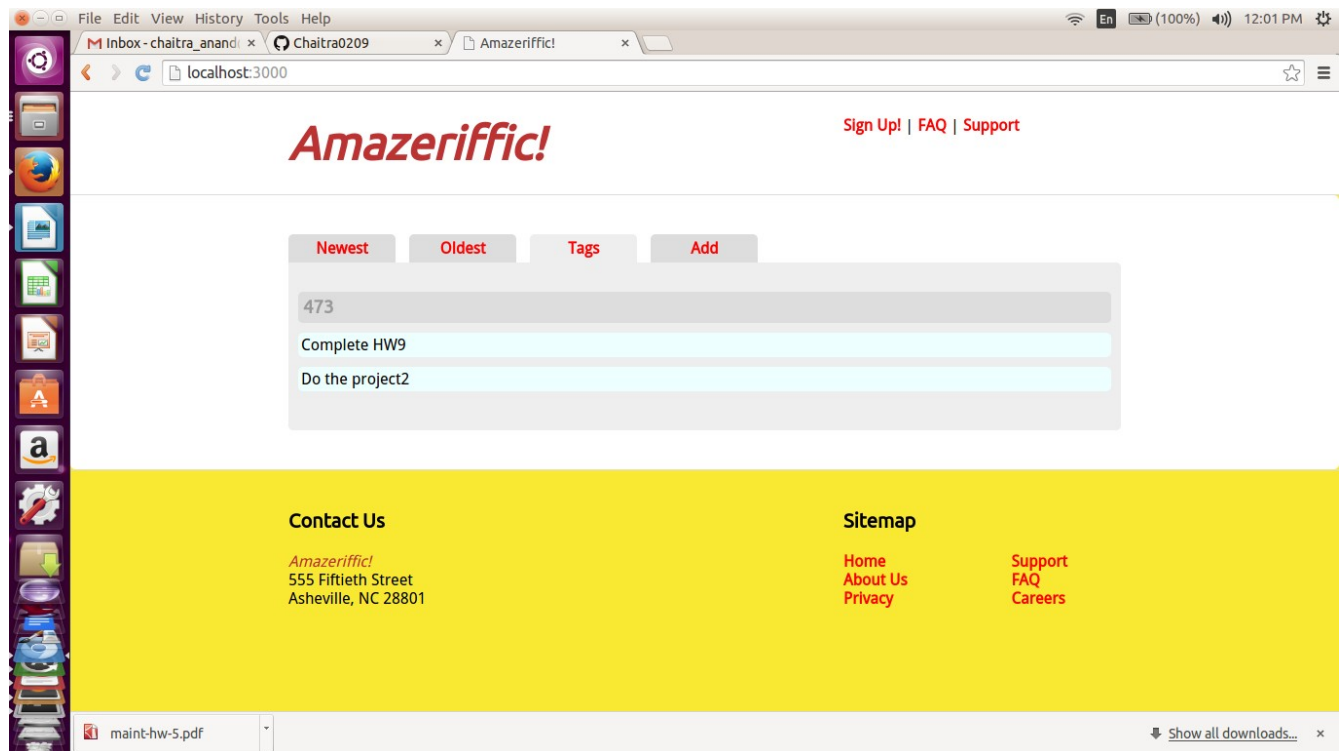

6) newest tab shows "do the project2" as that is the recent most task added.

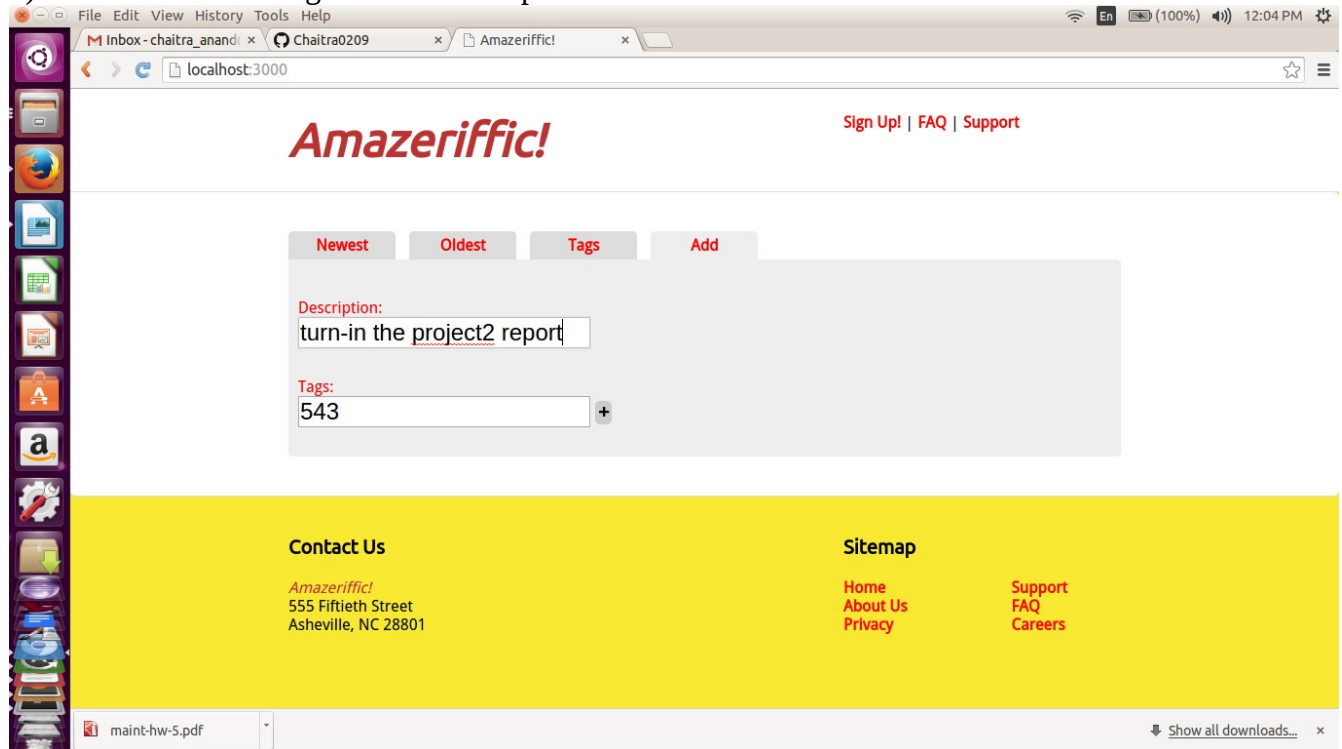

7) oldest tab where older todo task is seen first.

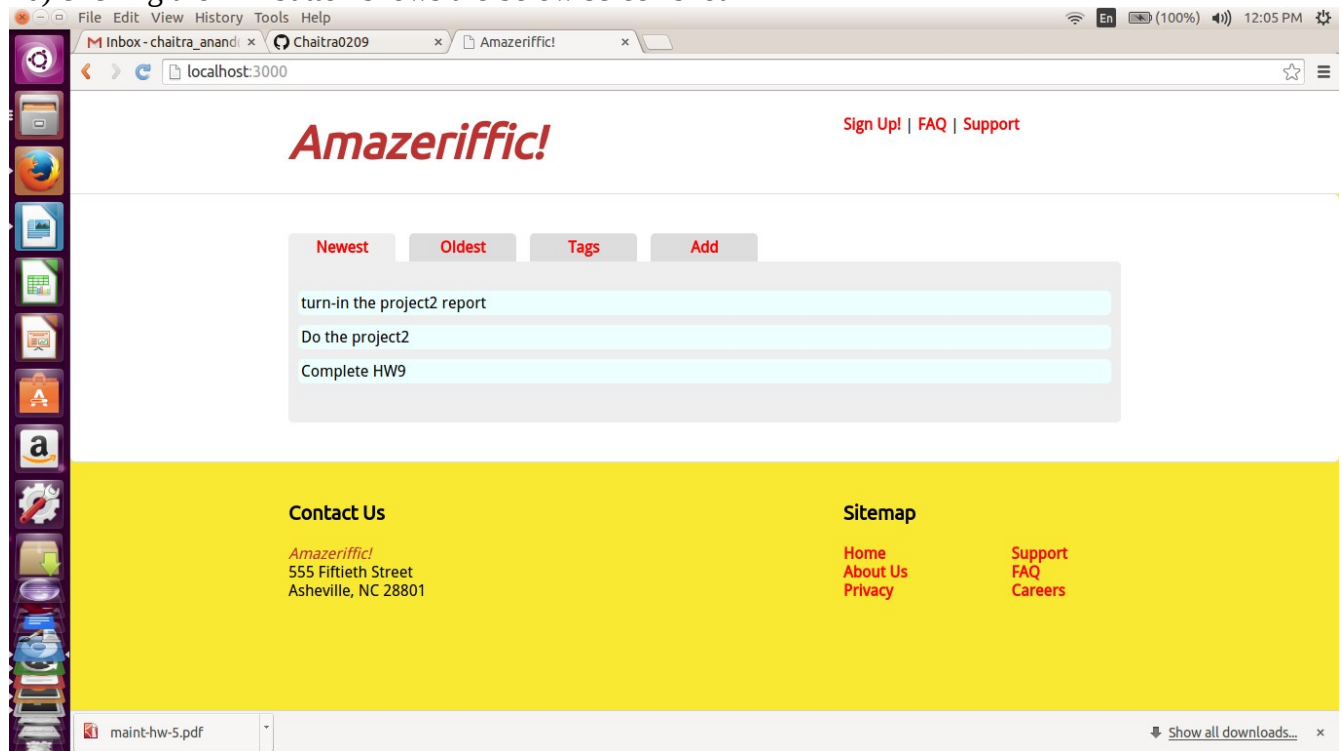

8)tags tab

9) Addition of a new tag and new description .

10) clicking the “+” button shows the below screen shot

11) oldest tab

The screenshot shows a web browser window with the Amazeriffic! website. The browser's address bar displays 'localhost:3000'. The website's header includes the 'Amazeriffic!' logo and links for 'Sign Up!', 'FAQ', and 'Support'. Below the header, there are four tabs: 'Newest', 'Oldest', 'Tags', and 'Add'. The 'Oldest' tab is selected. The main content area displays a list of tasks: 'Complete HW9', 'Do the project2', and 'turn-in the project2 report'. The footer is yellow and contains 'Contact Us' information (Amazeriffic!, 555 Fiftieth Street, Asheville, NC 28801) and a 'Sitemap' section with links for 'Home', 'About Us', 'Privacy', 'Support', 'FAQ', and 'Careers'. A download bar at the bottom shows 'maint-hw-5.pdf' and a 'Show all downloads...' link.

12) Tags tab

The screenshot shows the same Amazeriffic! website, but with the 'Tags' tab selected. The browser window and header are identical to the previous screenshot. The 'Tags' tab is active, and the main content area displays a list of tasks: '473', 'Complete HW9', 'Do the project2', '543', and 'turn-in the project2 report'. The footer and download bar remain the same as in the previous screenshot.
